“Without a Shadow”

Production Dates: September 27 – October 2

Location: Big Sky Movie Ranch (Simi Valley)

*Without A Shadow* is about a Depression Era farmer who accidentally shoots down the Moon with a mysterious rifle. The blazing hot Sun immediately rises to a menacing fixed position, causing his pregnant wife to fall ill and his life sustaining crops to burn away. Conditions worsen and the couple fears starvation and the imminent death of their unborn child. Anthony has no choice but to seek aid from the Navajo shaman who gave him the rifle and perform a ceremonial offering to realign the balance of nature that he so carelessly disturbed.
